## PROFILE

Confident and adaptable Junior Full-Stack Software developer with a passion for web development and a proven track record in driving business strategy and revenue. Recently transitioned into web development with hands-on experience in HTML, CSS, Bootstrap, JavaScript, Python, Django, Heroku and SQL. Seeking my first role in web development to leverage my skills and transition into the tech industry.

## KEY SKILLS

- **Languages** : HTML, CSS, JavaScript
- **Frameworks** : Django, Bootstrap
- **Platforms** : GitHub, Heroku
- **Databases** : SQL
- **Spoken Languages** : English (Fluent), French (Fluent), Spanish (Fluent), Arabic (Fluent)

## EDUCATION

### Code Institute (March 2024 - Present)

- An intensive, project-based bootcamp that provided comprehensive training in Full-Stack web development. This course covered HTML, CSS, Bootstrap, Javascript, Python, Django, SQL, Heroku and GitHub. We also dived into Agile, Scum, UX design (wire-framing, prototyping), unit testing and debugging techniques.

### Panthéon-Sorbonne University - Paris (September 2005 - 2006)

- Completed various coursework in chosen subjects (Politics, Economy) before transitioning to pursue other opportunities. Developed strong skills such as teamwork, attention to details, research and analytical skills.

## SELECTED ACHIEVEMENTS

- Successful delivered 300+ 5-star rated events over a 4 year period at Filthy Habit.
- Raised £100.000 for Build Bonnie's Dream, supporting underprivileged children in Cambodia.
- Supported the production of Sir David Attenborough's Blue Planet as a freelance scuba instructor.

## PROFESSIONAL EXPERIENCE

### Lightency (March 2022 - Present )

Community manager - Remote

- Developed and executed marketing strategies
- Engaged with the community and managed client relationships
- Organised promotional events

### Freelance Scuba Diving Instructor (2016 - 2023)

Various location around the world

- Instruct, train, coach and mentor future divers, ensuring health and safety standards are followed as a priority during all dives, displaying a calm demeanour to make clients feel comfortable during the training process
- Utilise language skills to effectively communicate with individuals from around the world

### **Filthy Habit Event Production (2012 - 2016)**

Founder - Koh Phi Phi islands Thailand

- Develop marketing strategy to promote Filthy Hat Production Events working to tight budgets and optimising company ROI
- Design and run premium events including speedboat and private BBQ beach parties
- Ensure relevant health and safety and risk assessments completed for all events
- Liaise and negotiate with vendors and suppliers to deliver superior events whilst meeting cost objectives

### **Build Bonnies Dream (2011 - 2016)**

Co-Founder - Hybrid

- Oversee the project management of a school building project in Phnom Penh
- Drive fundraising efforts to support various initiatives (£100,000 raised to date)
- Partner with local ambassadors/volunteers to ensure funds are distributed appropriately
- Manage the promotion of Build Bonnie's Dreams website to attract volunteers to support the Organisation

### **Liberty Island Consulting (2010 - 2015)**

Founder - Hybrid (Barcelona)

- Grew portfolio of clients, providing tailored, strategic solutions to client needs
- Managed a team of 12 staff whose primary responsibility was to consult with our worldwide portfolio of clients.
- Offered investment consultancy advice to start-ups encompassing stocks and shares and other investment tools
- Developed website and marketing strategy for the business
- Maintained company accounts, payroll, policies and procedures as well as other duties associated with company ownership
