PROFILE

Confident Junior Full-Stack Software developer with a passion for web development and a proven track record in driving business strategy and revenue. Recently transitioned into web development with hands-on experience in HTML, CSS, Bootstrap, JavaScript, Python, Django, Heroku and SQL. Seeking my first role in web development to leverage my skills and transition into the tech industry.

KEY SKILLS

- **Languages :** HTML, CSS, JavaScript
- **Frameworks :** Django, Bootstrap
- **Platforms :** GitHub, Heroku
- **Databases :** SQL
- **Spoken Languages :** English (Fluent), French (Fluent), Spanish (Fluent), Arabic (Fluent)

EDUCATION

Code Institute (March 2024 - Present)

- An intensive, project-based bootcamp that provided comprehensive training in Full-Stack web development. This course covered HTML, CSS, Bootstrap, Javascript, Python, Django, SQL, Heroku and GitHub. We also dived into Agile, Scum, UX design (wire-framing, prototyping), unit testing and debugging techniques.

Panthéon-Sorbonne University - Paris (September 2005 - 2006)

- Completed various coursework in chosen subjects (Politics, Economy) before transitioning to pursue other opportunities. Developed strong skills such as teamwork, attention to details, research and analytical skills.

PORTFOLIO PROJECTS

CanDo- Kansan Board (Final Project) Pass
- **GitHub :** https://github.com/wgwhitecoding/CanDo-CiFinal
